Azadi ke Amrit Mahotsav - 77th Independence Day Celebrations

Introduction:

The Azadi ke Amrit Mahotsav, commemorating the 77th Independence Day of India, was celebrated from 13th to 15th August with great enthusiasm and patriotic fervor. The celebrations were organized in accordance with the Indian Flag Code of 2002, ensuring due respect to the national flag. The event aimed to promote awareness about the significance of independence, unity, and the rich cultural heritage of the country. The college completely followed the instructions given by NCTE regarding AKAM.

Day 1 - 13th August:

The celebrations began on 13th August with the hoisting of the national flag by the principal of college Dr. Rajat Dey. A significant event on this day was the distribution of the National Flag to community members and locals, emphasizing the importance of national pride. To raise awareness about Independence Day, a rally was conducted, featuring participation from 100 B.Ed staff, along with teachers and non-teaching staff. The rally was instrumental in spreading the spirit of independence among the masses.

Day 2 - 14th August:

The second day, 14th August, saw a series of activities in line with the Azadi ke Amrit Mahotsav theme. The flag hosting ceremony continued, symbolizing the unity and freedom that the Indian flag represents. A drawing competition allowed participants to showcase their creativity by depicting themes related to independence and patriotism. A song and dance competition, along with a speech competition, provided a platform for individuals to express their feelings about India's journey towards freedom. The day concluded with a yoga session, reinforcing the connection between a healthy body and a strong nation.

Day 3 - 15th August:

The culminating day of the celebrations, 15th August, was marked by a special flag hoisting ceremony conducted by the Principal of the college. This event was a poignant reminder of the sacrifices made by countless individuals who fought for India's independence. A cultural program comprising songs and dances was presented, showcasing the diversity and unity of the nation. A unique pyramid display underscored the collective strength of the people, echoing the spirit of the Indian tricolor. The formation of India's map by students highlighted the importance of every region in the country's progress.

Conclusion:

The Azadi ke Amrit Mahotsav celebrations spanning from 13th to 15th August not only paid tribute to India's hard-fought freedom but also reiterated the importance of unity, diversity, and the rich cultural heritage of the nation. The activities conducted in accordance with the Indian Flag Code of 2002 demonstrated respect for the national flag and its symbolism. Through flag hoisting, rallies, competitions, and cultural performances, the celebrations successfully fostered a sense of pride, patriotism, and communal spirit among participants and attendees. This event was a fitting tribute to India's journey towards a brighter future while cherishing its past.

Report on Gandhi Jayanti

The birth anniversary of Mahatma Gandhi (Gandhi Jayanti) is celebrated on 2nd October as a national event across India. This day is observed across the world as International Day of Non- violence. Mahatma Gandhi contributed tirelessly and selflessly in India's freedom struggle for Independence. Mahatma Gandhi's ideals were satya (truth) and ahimsa (non- violence). Through his philosophy of truth and non-violence he paved the way for India's Independence from Britishers.

Bhavan's Tripura College of Teacher Education celebrated Gandhi Jayanti On 2nd October in a concise way. B.Ed 1st semester student along with D.El.Ed 1st year and 2nd year arranged the programme in a stunning way. The programme took place in the assembly itself after the completion of prayer and pledge. The photo of Mahatma Gandhi was decorated with garlands and flowers. Dr. Rajat Dey, principal sir addressed the gathering with inspiring life history of Mahatma Gandhi. The speaker insisted that all the teachers and students should follow the way of life and ideology of the father of the Nation. The inspiring philosophy and motivational quotes of Mahatma Gandhi gives an opportunity to recall and learn the best way to live life. Few faculty members spoke in the occasion regarding the struggle for Independence, role of Mahatma Gandhi and better ideas for development of India. They shared their views on this day and inspired the participants towards nationalism and patriotism. As instructed by the authority of the college, the trainee students arranged different type of Cultural programme where they performed group songs, speeches, recitation, drawing exhibitions, cleaning was done by NSS Unit. This way the programme came to an end. All the programmes were done by our students and were uploaded in the college website and Facebook Page.

AGAMONI FESTIVAL

Every dawn in autumn promises a fresh beginning, glowing with a clear sky and sparkling dew drops. It heralds Bengalis most precious event- Durga puja. Durga puja for the Bengalis is much more than a festival. It is a carnival and an emotion that marks the time of happy tides.

Bhavan's Tripura College of Teacher Education has celebrated 'agamoni' to welcome Maa Durga in its signature style on 12th October, 2023 with 143 students. The conventional lighting of the lamp by chairman of Agartala Kendra – Mr. Debashish Chakraborty, Retd. IFS, Principal and Head Teacher of BTVM, marked the beginning of this auspicious occasion.

The event glowed with a welcome song by B.Ed trainees, a whole lot of cultural items including recitation, dance etc were in store for the audience.

The sequence of the programme was as follows-

The welcome song by the trainees-“ jaago tumi jaago”. Dance performance by 1st year D.El.Ed students. Dance performance by B.Ed 1st semester students- on the medley “ Dekh Mon Kaash Bon”, Dhaker Taale..

A memorable speech was given by chairman sir. One of the senior student of (3rd SEM) shared experience of the last 'agamoni' programme. There was a prize giving ceremony regarding Art Competition, theme ('agamoni') which was held on 10th October, 2023.

'Agamoni' is an initiative to showcase and indulge ourselves in the grandeur of Bengali culture. Though the programme was short but the presentation was mark-able and side by side memorable.

Report on Matri Vasha Dibash

21st February was declared to be International Mother Language Day by UNESCO on 17th November 1999. It has been observed throughout the world since 21st February 2000. The declaration came up as tribute to the Language Movement undertaken by the Bangladeshis (then the East Pakistan).

HRITURANG (A Cultural Fest)

Introduction

Hriturang is an attempt to project different genres of art & culture to be presented by the teacher-trainees of the Bhavan's Tripura College of Teacher Education. To celebrate the season of colors Bhavan's Tripura College of Teacher Education has taken its Basanta Utsav to another level and renamed it as "Hriturang". As the name symbolizes Hritu(Season) and Rang(Color), Hriturang is basically the glorification and celebration of our holy Holi with full zeal and enthusiasm.

Objectives

Hriturang is an attempt—

1. To promote a cultural ambience in between the curriculum.
2. To increase agility amongst the teacher trainees.
3. To increase collaboration amongst the teacher trainees.

More than twenty principals, headmasters, headmistresses and other faculty members of different colleges and schools have come and enjoyed the programme thoroughly. They were also felicitated with gift hamper and uttariyo. Song, dance, live-painting, dance-drama, drama etc. were performed by the teacher-trainees.

Purni Basu, an alumnae and a very renowned Rabindra Sangeet Singer of the state and a very enchanting recitation by Smt. Manali Ganguly, an alumnae and also a very popular TV and Radio Vocal artist of the state. The world celebrates music day on 21st of June every year. The essence of world Music Day lies in its inclusivity. It breaks down barriers and connects people from different walks of life to share experience of music. It is a day to appreciate the beauty and diversity of musical traditions from around the globe, fostering a sense of unity and cultural exchange.

This year, faculty of BTCTE, Narsingarh, Agartala has organized a musical extravaganza on 21st June. The programme started with a group song- "Anandaloke mangala....." with great enthusiasm. Dr. Rajat Dey, Principal of BTCTE shared his real life experience related with music. Dr. Suprasd Lodh , Associate Professor, BTCTE shared with us the importance of music and how one can be healed with music therapy. The programme was anchored wonderfully. Mrs. Mala Modak, Assistant Professor, BTCTE shared her melodious voice with us which took the heart of every audience. The programme ended with the Sanskrit song- "manasa satatam" by Mr. Susanta Sarkar, Assistant Professor, BTCTE which made us spell bound.

This celebration of music not only played a vital role in the overall holistic development but also created awareness on the importance of music in our life.

Report on "Self Defense Programme" in 2023

Introduction

Inclusion of "Self Defense Programme" in two years B.Ed courses has opened various frontiers for the students-teachers to establish a psychological rapport with the students as students are important aspect in Formal Education system, so both qualitative and quantitative parameters through them must be met and it is a holistic need of time which should be focused in curriculum, co-curriculum and extra curriculum implementation and transaction.

History of the "Self Defense Programme"

The origin of self-defense in Anglo-America is believed to stem from the pollination by the Normans, subsequent to the Norman Conquest of England in 1066, of the Anglo-Saxon conception of the sanctity of life with more nuanced Continental ideas. Previously, any killing, even in self-defense, was culpable. Karnataka Chief Minister Basavaraj Bommai on Friday said that the state government is mulling starting a short-term course in self-defense for girls along with yoga in India. According to Victims of Sexual Violence: Statistics on Rein, about "80 percent of juvenile victims were female and 90 percent of rape victims were adult women". In addition, women from ages 18 to 34 are highly at risk to experience sexual assault. According to historian Wendy Rouse in *Her Own Hero: The Origins of Women's Self-Defense Movement*, women's self-defense training emerged in the early twentieth century in the United States and the United Kingdom paralleling the women's rights and suffrage movement. These early feminists sought to raise awareness about the sexual harassment and violence that women faced on the street, at work, and in the home. They challenged the notion that men were their "natural protectors" noting that men were often the perpetrators of violence against women. Women discovered a sense of physical and personal empowerment through training in boxing and jiu-jitsu. Interest in women's self-defense paralleled subsequent waves of the women's rights movement especially with the rise of Second-wave feminism in the 1960s and 1970s and Third-wave feminism in the 1990s. Today's Empowerment Self-Defense (ESD) courses focus on teaching verbal and psychological as well as physical self-defense strategies. ESD courses explore the multiple sources of gender-based violence especially including its connections with sexism, racism, and classism. Empowerment Self-Defense instructors focus on holding perpetrators responsible while empowering women with the idea that they have both the right and ability to protect themselves.

Aims & Objectives of the Programme

Regardless of whether you carry a handgun or some other self-defense tool, the goal of self-defense is to survive and escape without injury by deterring or stopping aggressive behavior. It is not to win a fight or harm another person. In fact, the best defense is to avoid dangerous people and places in the first place.

Report on the International Yoga Day in 2024

Introduction

Inclusion of "International Yoga Day" in need two years B.Ed & DEI Ed courses has opened various frontiers for the students-teachers to establish a psychological rapport with the students as students are important aspect in Formal Education system, so both qualitative and quantitative parameters through them must be met and it is a holistic need of time which should be focused in curriculum, co-curriculum and extra curriculum implementation and transaction. Our college has jointly organized the "International Yoga Day" along with Bharatiya Vidya Mandir, Agartala Kendra on 21st June 2024 due to MOU.

History of International Yoga Day

The International Day of Yoga has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in ancient India. The Indian Prime Minister Narendra Modi, in his UN address in 2014, had suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world. The consultations were convened by the delegation of India. In 2015 Reserve Bank of India issued a 10 rupees commemorative coin to mark the International Day of Yoga. In April 2017, UN Postal Administration (UNPA) issued 10 stamps on Asanas on a single sheet to mark International Day of Yoga.

Aims & Objectives of the Programme

21st June of every year is declared as the World Yoga Day by the UN General Assembly on 11th December 2014. Yoga is regarded as an ancient practice of mental, spiritual and physical healing which was practiced in India for the last 5000 years. 21st June was chosen as the day for observance, since it is the longest day in the summer solstice and is believed to have significant effect on the bodies of the people living in the Northern Hemisphere.

The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga and the main objective behind this observation is to make this ancient practice popular among the present generation of people who are unaware of its benefits. Adopting this practice is believed to provide significant relief from physical ailments and mental tension which plagues our day to day life. A list of in depth objectives behind observing this day is listed below:

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow. Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- World Yoga Day aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.
- Yoga practitioners believe that when a person connects with Mother Nature with both his mind and soul, he achieves a greater level of consciousness which helps him to be at peace with his surroundings. This level of consciousness would invariably lead to world peace as more and more people starts practicing Yoga.
- Practicing yoga would lead to stronger bonds between people from different background, irrespective of caste, religion or language barriers. It would help to promote the feeling of communal harmony and create a conjugal atmosphere for global peace.
- International Yoga Day aims to make the practice of yoga popular among people in different parts of the world, so that people are able to have a correct opinion about this form of well-being, which is not only easy to practice but is also extremely effective on a long term basis.

In short World Yoga Day aims to bring different communities around the globe together through the practice of yoga, so that they can eliminate all types of negativity from their lives and gain control over their emotions as well as health ailments which often acts as the major hindrance in our path of self-development.

Importance of the Programme

The importance of International Day of Yoga is “Yoga for humanity”. Yoga is universal — it can be practiced anywhere, at any time, and by anyone irrespective of age, gender, culture or nationality. Yoga is a powerful tool for individuals, communities and countries to improve both mental and physical health.
