## **Waste Management Policy Adopted by the Institution**

### **Policy Statement:**

The Institution believes and takes measures for clean, green and safe campus. To accomplish this, our institution emphasizes on adopting good practices and bringing environment consciousness to our campus and surrounding areas through various endeavors. Towards this end, the college has developed a clear-cut policy of waste management and its disposal. The college also believes in sensitizing and involving the students, teachers and other staff in the process of waste management and its disposal. E-waste or electronic waste is created when an electronic product is discarded after the end of its useful life. E-waste mainly includes obsolete electronic devices, such as computer systems, servers, monitors, compact discs (CDs), printers, scanners, copiers, calculators, fax machines, battery cells etc. E-waste is disposed off through vendors. Agency shall undertake periodical maintenance of all computer hardware waste, suitable repair work, disposed/replace of E- parts.

### **Objectives:**

1. To ensure clean, green and safe campus.
2. To minimize the generation of waste by reusing useful waste materials.
3. To make aware the stake holders regarding the gains of clean, green and safe Campus.
4. To organize the awareness campaigns to know the environment and how to protect it for sustaining the life on earth.
