Chairman

Mentor-Mentee

Introduction-

Student mentoring system was introduced in Bhavan's Tripura College of Teacher Education (BTCTE) since 2018 in order to establish friendly and better relationship between student and teacher. The respected teachers have been continuously mentoring, counselling and guiding students in educational and personal matter since its launching.

Objectives-

- To build up better and trustworthy relationship between teacher and students.
- To augment students' academic performance and attendance.
- To monitor students' regularity and discipline.
- To lesser students' drop-out ratio.
- To provide information to the parents about the regular performance of their wards.

Mentor collected all the necessary information about the students and maintain and update mentoring format as accordingly. They used to offer guidance and counselling as and when they were required to do so. They used to meet students individually or in group. If any student is identified as having weakness or less interest in any subject, it is the bounden duty of the mentor to apprise the concerned subject teacher. The mentors provide professional guidance, career advancement suggestion etc.

Outcome-

- The students' drop-out ratio has been reduced significantly.
- Percentage of students' attendance has been increased.
- The student-teacher relationship has been improved remarkably.
- Discipline and punctuality have been improved remarkably.
