DIVYANGJAN POLICY

(For the Persons with Disabilities)

1. Preamble

"In accordance with the Right of Persons with Disabilities Act, 2016, which prohibits any form of discrimination against individuals with physical and mental disabilities, Bhavan's Tripura College of Teacher Education is dedicated to establishing a comprehensive, inclusive, and supportive learning and teaching environment. This commitment ensures that students and employees with disabilities are treated fairly and impartially, while also receiving necessary specialized assistance. The college's Policy for Persons with Disabilities is applicable to faculty members, staff, and students, safeguarding their rights and fostering an inclusive atmosphere."

2. Objectives of the Divyangjan Policy:

The Policy provides a broad framework and a set of standard norms regarding the inclusive initiatives and supportive measures meant for the students and employees with disabilities at Bhavan's Tripura College of Teacher Education.

The basic objectives of the policy are:

- ❖ To establish a Divyangjan friendly and barrier-free environment in the campus.
- ❖ To create and sustain an inclusive culture that is non-discriminative, non-exploitative and non-exclusive in nature.
- ❖ To provide inclusive and accessible education at the Institution.
- ❖ To ensure the full and active participation of persons with disabilities in all aspects of life, encouraging their involvement in social, cultural, economic, and political activities.
- ❖ To provide equal access to opportunities, resources, facilities, and services for individuals with disabilities, ensuring they can fully engage in society without hindrance.
- ❖ The policy focuses on creating accessible physical environments, digital platforms, and communication channels to enable individuals with disabilities to navigate and interact independently.
- ❖ To ensure that individuals with disabilities have access to quality education and employment opportunities, enabling them to contribute meaningfully to society.
- ❖ To ensure that individuals with disabilities have access to healthcare services, rehabilitation, and social support systems that cater to their unique needs.
- ❖ To raise awareness and promote understanding about disabilities, combating stigma and fostering a more inclusive and accepting society.
