Guidelines for Students

NAAC (National Assessment and accreditation council) is conducting a Student Satisfaction Survey regarding Teaching – Learning and Evaluation, which will help to upgrade the quality in higher education. A student will have to respond to all the questions given in the following format with her/his sincere effort and thought.

Email *

Valid email

This form is collecting emails. [Change settings](#)

All questions should be compulsorily attempted.

- Each question has five responses, choose the most appropriate one.
- The response to the qualitative question no. 21 is student's opportunity to give suggestions or improvements; she/he can also mention weaknesses of the institute here. (Kindly restrict your response to teaching learning process only)

Following are questions for online student satisfaction survey regarding teaching learning process.

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

Time management

No suggestion

More engagement in the field.
Increase in internship duration

Interaction should be in bilingual. 2. I must inform to students. 3. Students involvement must increase in seminar and workshop.

1. More communication is required.
2. Use of more technology in the classroom.
3. Interactive classes are needed.

No suggestion

Focus on every individual student present in the class not only the selective ones.

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

1. More use of ICT tools
2. Solving doubts of each and everyone
3. Encouraging of group discussions in the classroom which will increase the communication skills and also will create a good bond with everyone.

1. Use of ICT tools should be improved

Teachers must communicate with the introvert students more often so that they can gain self-confidence.

I think if they use multimedia, projector in every class then teaching learning process will be improved

Regular activity and skill development program which are progressive. Institution is overall well maintained.

1. Students can be asked for their sincere feedbacks,
2. Students should be given ample scope and opportunities to improve and develop themselves,

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

3. Teachers should encourage and motivate students to uplift there spirits.

1. Computers need to be upgraded

To use more techonolgy
To help students by providing study materials

1. Incorporat active learning strategies
2. Utilize technology effectively
3. Provide timely and construction feedback

I suggest that more of the teachers should use the projector and use day to day life examples for their teaching sessions.

Very good teaching learning methods of our institution

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

They should more interective with their students. They should more encourage are and help are more to overcome our weakness.

Caring about students problems.

Everything is fine .

Very good institution...all teachers are very helpful.

Nyc institution and teachers are teaching very well

Need to use both languages English and Bengali

Good institution.

More interactive sessions among students and teachers

More interactive sessions among students and with faculty

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

Overall,Bhavans has good teaching -learning environment.

- 1.Provide access multiple books in library.
- 2.Little more simplify the course
3. Add more extracurricular activities, research work.

Provide access multiple books in library, make the course little simple and encourage research work.

Our institution encourage ourselves to participate extracurricular activities and quality of learning process in our institution is also good.

To give attention to all the students
Whether their medium is english or bengali

- 1.Class room is very small
2. Technical Equipment are very low

Provide multiple books in library

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

Encourage research works

Make the course little simple

Good

1. Teach us more in english language along with bengali, that help us throughout in our future.
 2. Every week there is song, dance and all other cultural activities are happened but there is no sports activities in month after month. so, please do some sports activities in every month , at least one or two sports activity in a month.
 3. Please start taking competitive exam preparation classes like TTET, CTET etc. along with B.Ed classes.
- Thank you

Although overall Teaching is good enough but one thing can be included in ict learning effectiveness

1. Offering experiential learning opportunities.
2. Promote problem solving , critical thinking,and active learning in the classroom.
- 3.use better graphics and visual media to engage students well.

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

Nothing needs to be improved,everything is fine.

- 1.They should give are less stress
- 2.They can be more communicable
- 3.They can be soft speaker towards the students

1. They should give us less stress.
2. They can be more communicable.
3. They can be more soft speaker towards the students.

All things are fine in this institution.

- 1)Providing monthly updates on new technology.
- 2)Spend time with them individually.
- 3)Make teaching a two way interaction.

No need to suggest anything!

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

1. Digital learning materials
- 2.Need clean toilet
3. Healthy foods in caintain

our teachers always try there best to give us the best
so we believe in them and have no more suggestions

1. More widespread use of technology is needed
2. Learn more about students through meeting parents
3. Discuss each topic in more detail

- 1)more widespread use of technology is needed.
- 2) learn more about students through meeting parents.
- 3) discuss each topic in more detail.

The syllabus is huge
Too less time to prepare for exams
Poor internet connection is a barrier in achieving more resources and references at ease

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

60 responses

Poor internet connection is a barrier in achieving more resources and references at ease

Teachers student interactive activities, parents teachers meeting frequently and our institution need counselor for students counseling process

Need some teachers,need parents and teachers meeting,Qualitative teachers.

1. Teaching method is good
2. There could be more practical classes
3. Extracurricular activities are good

More engagement programs between teachers and students for uplifting the inner tenants of students

Need to provide more better infrastructure.

Need to make gap between examination to reduce student's stress.

Improvement in less use of local language and improvement in formal language more in class ex- english

All is well but a more effective class would be better
