RESEARCH PUBLICATION POLICY

INTRODUCTION:

To encourage and support the teaching staff for academic growth and career advancement, Research Publication Policy supports the permanent faculty of the Institution. To attend different programme, Institution provides them organizational support in the form of scheme of incentives as the registration fee, TA, DA, fooding and lodging etc. It also motivates its teaching fraternity to organize conference, seminar, and workshops in its own campus.

Therefore the core value of our Institution is to focus on quality and development. Thus, emanates the quality that encompasses about enhancing competence of the faculty by encouraging them to adopt innovative and updated methods of teaching based on latest technology. In this pursuit, the organizing Board of our College provides financial support to teachers for professional development. A budgetary provision is made by the Board for every financial year.

AIMS OF RESEARCH PUBLICATION POLICY:

The Research Policy of the college aims to create and support a research culture among its teachers, staff and students and lever age it for enriching and enriching the professional competence of the faculty members, for developing and promoting scientific temper and research aptitudes of all learners, for realising the vision and mission of the college and for contributing to national development and plan for facilitating their participation in research and related activities and by providing the required resources and appropriate facilities as feasible on the part of the institution.

It also aims at ensuring that the research activities of the college conform to all applicable rules and regulation as well as to the established standards and norms relating to safe and ethical conduct of research.

OBJECTIVES OF RESEARCH PUBLICATION POLICY:

The Research Publication Policy of the Institution intends to achieve the following objectives:

1. Honesty and transparency in all aspects of research management and research reporting.
2. To strengthen the Institutional capacity for strategic, technical and operational planning, budgeting and control of all research activities of the College.
3. To develop rules, procedures and guidelines for granting research support, instituting awards, and supporting all other related activities.
